The FreshXpress to partner with the BRAT-PAC for LIVE in Color

Columbus, Ohio–The FreshXpress today announced that it will partner with the Broader Representation Action Team – Political Action Committee (BRAT – PAC) to honor California’s elected African American leaders for their accomplishments and achievements.

This is a great opportunity for the award-winning website and Sean Walton, Jr., CEO of the FreshXpress.com, is proud that the FreshXpress is able to be a part of this event and become more involved in the community.

“This event that we are co-sponsoring with The BRAT-PAC is a great opportunity for theFreshXpress.com to get more involved with grassroots politics in the African American community. The fact that BRAT-PAC strives to help provide a voice to African American political candidates and mobilizes African American voters across the country fits perfectly with the mission of FXP. We look forward to providing national media coverage of this event.”

The event will take place on Friday, April 16, 2010 from 6:00 p.m. until 9:00 p.m. at the J.W. Marriott in Los Angeles and will be hosted by award-winning actress Sheryl Lee Ralph.
